

Transtech Electric Inc. Apprenticeship Committee (Program 629)

Occupation: **OUTDOOR LIGHTING AND TRAFFIC SIGNAL INSTALLER.**

The term of apprenticeship is 8,000 hours, and four years of Related Supplemental Instruction equaling not less than 192 hours per year.

The requirements for a candidate to be granted an interview are as follows:

- **Age:** Applicants shall be 18 years of age or older.
- **Education:** High school graduate or possession of a GED is required. Applicants must have transcript showing successful completion (grade C or better) for one year of high school Algebra or Geometry, or one full credit quarter or semester at an accredited university or community college.
- **Physical:** Applicants must be capable of performing the work of the Electrical construction trade.
- **Testing:** Pre-employment drug testing is required at no cost to the applicant.
- **Other:** Applicants must submit the following information to the committee before their applications will be considered complete.
- **Valid Washington State Drivers License** and the ability to obtain a Class B CDL license with air in a reasonable amount of time (approximately 60 days) from date of hire.

Documents verifying age, high school diploma or GED, required math classes and WSDL must be provided within 60 days of application.

No person will be granted an interview that has not yet met the above requirements. Equal employment opportunity, minority and women are encouraged to apply.

Candidates that meet the above requirements may contact:
